

# What People Are Saying!

## The Big Picture by Stacy Julian

"I use and really like the Croppin' Companions for my material files. They are exceptionally sturdy, have several pockets and they look so cute tagged and stacked side by side in my studio."

## Simple Scrapbooks Magazine

"A great way to prepare your page kits quickly and easily."

## PaperCrafts Magazine

"Sturdy, space-saving scrap storage."

## Scrapbooking and Beyond Magazine

"In the World of Scrapbooking, the elusive goal of becoming and remaining organized has just gotten easier!"

## Memory Makers Magazine

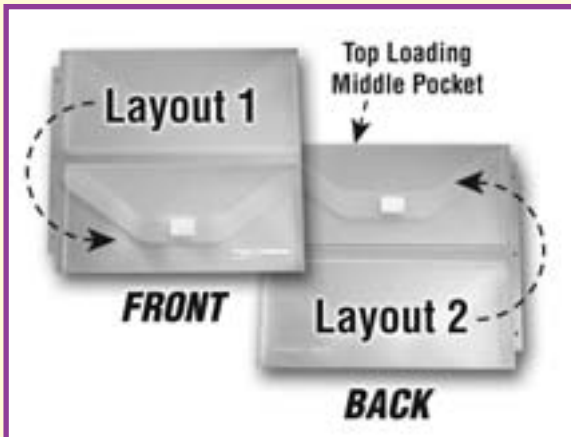

"The Croppin' Companion's innovative page-kit folders help make your kits even more efficient."

## Scrapbook Trands Magazine

"You will be able to get to work finishing those pages faster and easier than ever."

## Creating Keepsakes Magazine

Named in the Top 10 for Organizing Scrapbook Space.

# How It Works

## Insert Photos

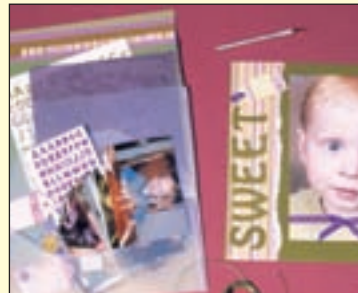

## Add Embellishments

## Add Paper

## Produce Page After Page

The System to Manage Every Layout

Scrapbooking  
just got  
easier!

## Nesting Planning Folders

**Description:** Prepare your layouts step by step in these 2 sided folders that securely store everything you need to create TWO separate layouts (photos, memorabilia, embellishments, paper etc.) Now when you sit down to scrapbook you have everything you need to finish layouts faster and easier than ever before and without the mess.

**Dimensions:** W-13.5"x H-12.5"

**MSRP: \$9.99**

*(Set of 2-Pockets to prepare 4 layouts)*

### Special Features:

- Folders are 2 sided
- Each folder holds supplies for 2 complete layouts
- Unique placement of expandable pockets allows folders "to nest" into each other to lay flat on a desk top or in a binder
- Expandable pockets hold more than 40 photos each and have hook and loop closure so supplies are held securely inside
- Acid and PVC free material
- Translucent so pages are easily identified
- Durable and completely reusable
- Multiple uses in and out of scrapbooking

## Large 2.5" Storage Binder

**Description:** Perfect for organizing and storing your Croppin' Companion folders.

**Dimensions:** W-13.5"x H-12.5"x 3"

**MSRP: \$12.99**

### Special Features:

- Neatly stores 6-8 Croppin' Companion nesting planning folders (12-16 layouts)
- Fits standard 12" x 12" and 8.5" x 11" pages
- Inside clip for notepad or extra supplies
- Label area on spine
- Elastic closure to hold binder securely closed
- Durable acid and PVC free material
- Multiple uses in and out of scrapbooking

**Croppin' Companion**  
The System to Manage Every Layout

## Croppin' Tote

**Description:** Croppin' Tote has a place to store and transport all your essential scrapbooking supplies.

**Dimensions:** W-16" x H-14" x 7"

**MSRP: \$39.99**

### Special Features:

- Padded handles and shoulder strap
- Separate section for tools which has 4 movable/removable divided sections including one long section for 12" cutter and a zippered flap to keep contents enclosed
- Large open section for planning folders, binders, albums, 12 x 12 papers etc.
- Outside pockets for drinks, cell phone, keys, etc.
- Multiple uses in and out of scrapbooking
